

You can export citations to RefWorks directly from Library OneSearch. It's easy!

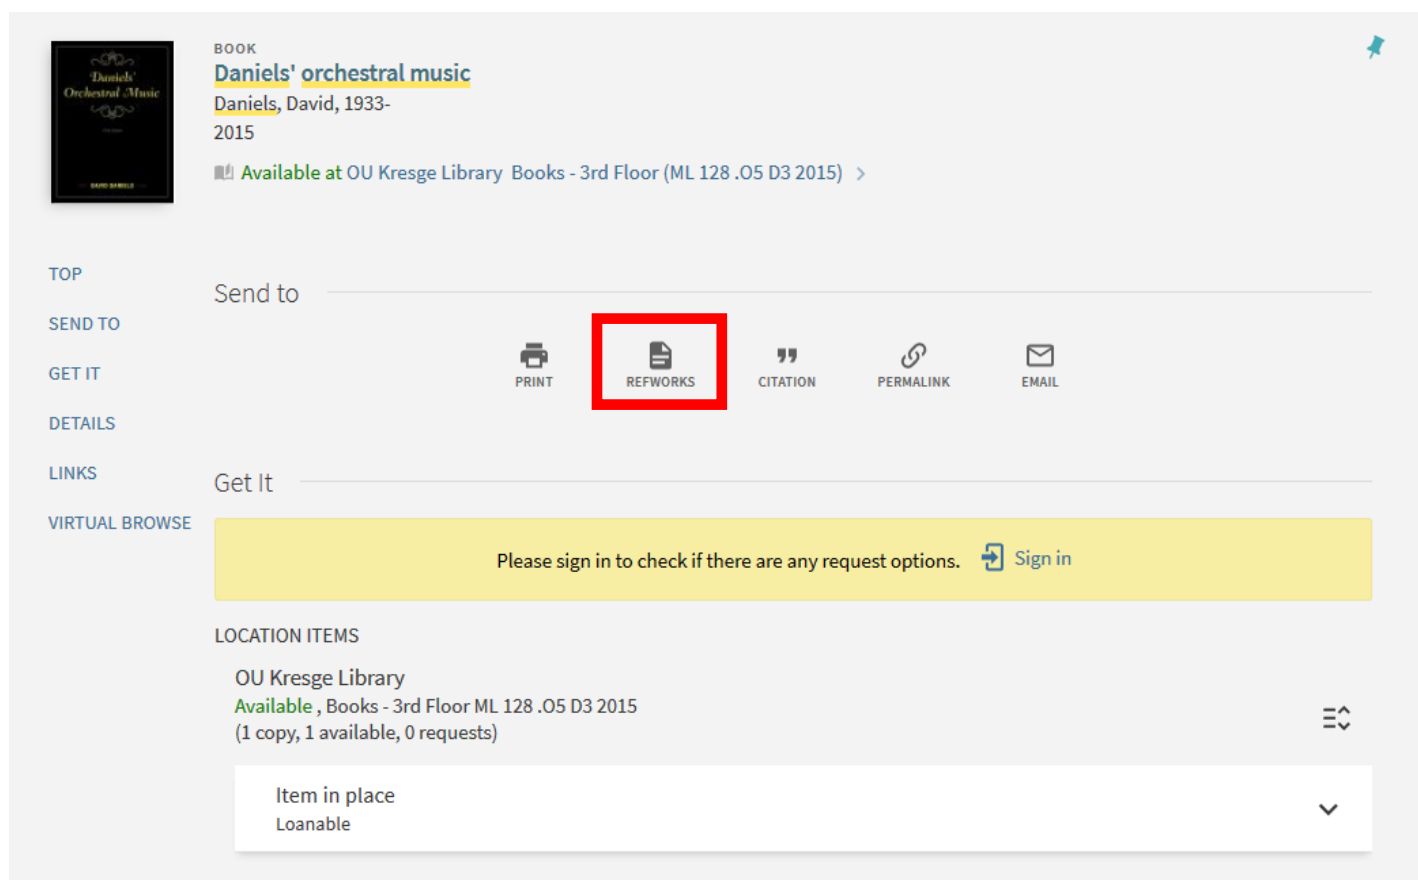

Enter your terms in the search bar. Click on the magnifying glass icon or press enter.

Once you have located your item, click on the title or the availability.

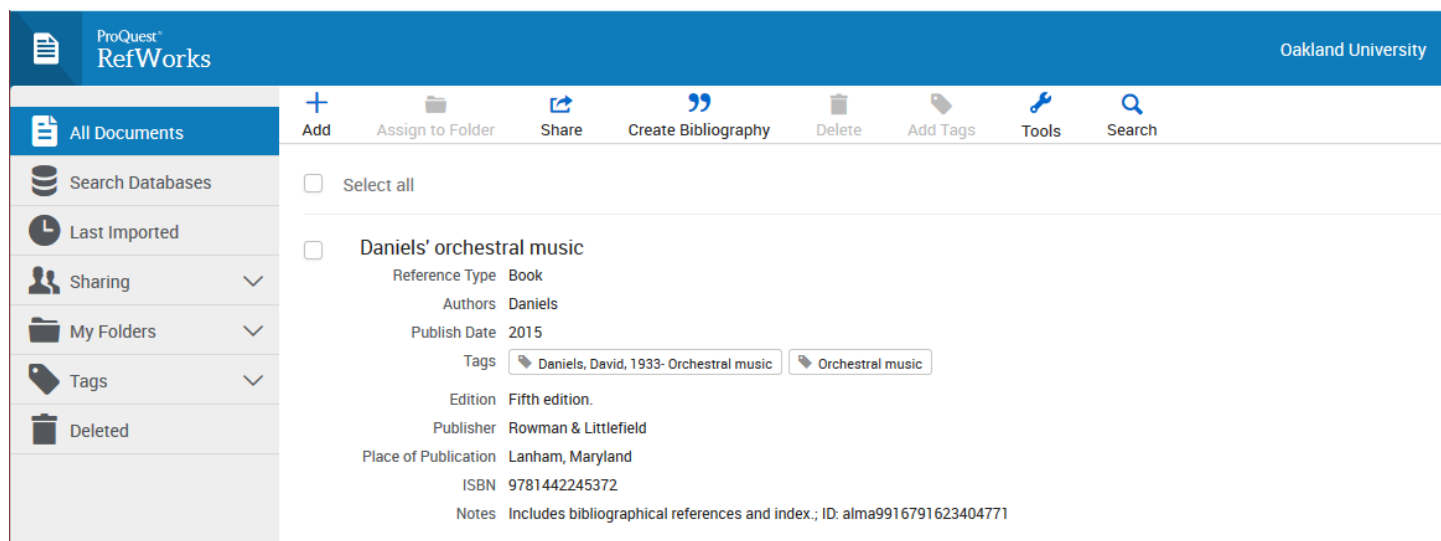

Under the **Send to** heading, click the *RefWorks* link. When prompted, enter your Email and RefWorks password. Don't have a RefWorks account yet? Signing up is quick and easy. You can find instructions [here](#).

The screenshot shows a library catalog record for the book "Daniels' orchestral music" by David Daniels, published in 2015. The record is available at OU Kresge Library Books - 3rd Floor (ML 128 .05 D3 2015). On the left side, there is a vertical navigation menu with options: TOP, SEND TO, GET IT, DETAILS, LINKS, and VIRTUAL BROWSE. The "SEND TO" section is active, displaying a row of icons: PRINT, REFWORKS (highlighted with a red box), CITATION, PERMALINK, and EMAIL. Below this, the "Get It" section contains a yellow banner with the text "Please sign in to check if there are any request options." and a "Sign in" button. The "LOCATION ITEMS" section shows the book is available at OU Kresge Library, Books - 3rd Floor ML 128 .05 D3 2015 (1 copy, 1 available, 0 requests). A dropdown menu is open, showing "Item in place" and "Loanable".

After logging in, your resource citation is automatically loaded into your RefWorks account!

The screenshot shows the ProQuest RefWorks interface. The top navigation bar includes the ProQuest RefWorks logo and the text "Oakland University". Below the navigation bar is a toolbar with icons for Add, Assign to Folder, Share, Create Bibliography, Delete, Add Tags, Tools, and Search. The main content area displays a list of documents, with the first item selected: "Daniels' orchestral music". The citation details for this item are as follows:
