

The Oakland Post is Online!

Oakland University's newspaper, The Oakland Post, is now available online! The full text of this valuable resource can be searched by keyword by using the search bar.

The screenshot displays the website interface for the Student Newspapers collection. At the top, the Oakland University Libraries logo is visible. The breadcrumb trail reads: [OUR@Oakland](#) / [Oakland University Archives and Historical Collections](#) / [Student Newspapers](#). A [Login](#) link is located in the top right corner.

The left sidebar features the **OUR@Oakland** logo with the tagline **KNOWLEDGE UNBOUND**. Below this is a search bar with a magnifying glass icon. Underneath the search bar are two radio buttons: Search OUR@Oakland and This Community. A **BROWSE** section follows, listing various filters: All of OUR@Oakland, Communities & Collections, By Issue Date, Authors, Titles, Subjects, and This Community.

The main content area is titled **Student Newspapers**. It includes a **BROWSE BY** section with buttons for [By Issue Date](#), [Authors](#), [Titles](#), and [Subjects](#). Below these buttons is a search box with the text "Search within this community and its collections:" and a **Go** button. This search box is highlighted with a red border in the image.

The main content area also features a large banner image showing newspaper mastheads. The top part of the banner includes "The Oakland Observer" and "FOCUS OAKLAND". The bottom part of the banner includes "The Oakland Sail" and "The Oakland Post".

Search results can be sorted by relevance, title or issue date by clicking on the settings button in the right hand corner, just below the search bar, and selecting an option from the menu. This menu also allows you to choose the number of results you see per page.

The screenshot displays the OUR@Oakland search interface. On the left is a navigation sidebar with sections: BROWSE (All of OUR@Oakland, Communities & Collections, By Issue Date, Authors, Titles, Subjects, This Community), MY ACCOUNT (Login), and DISCOVER (Author, Subject, Date Issued). The main search area has a search bar containing 'elliott tower' and a 'Go' button. Below the search bar, it says 'Now showing items 1-10 of 509'. Three search results are visible, each with a thumbnail and a title: 'The Oakland Post 2014-09-03', 'The Oakland Post 2014-09-10', and 'The Oakland Post 2015-03-18'. In the top right corner, there is a 'Show Advanced Filters' link and a settings gear icon. A red box highlights the settings gear icon and a dropdown menu that is open, showing sorting options: 'Relevance' (checked), 'Title Asc', 'Title Desc', 'Issue Date Asc', and 'Issue Date Desc'. Below the sorting options is a 'Number of Items per Page' section with radio buttons for 5, 10 (checked), 20, 40, 60, 80, and 100.

Tips for searching

When performing searches, you will get different results based on your search terms. To make sure you exhaust all possibilities to find complete results on your desired subject, keep these tips in mind:

Multiple forms of a name or abbreviations: If you are searching for a person, be sure to search all name variations they may have used (formal names, nicknames, etc.). For example, if you were searching for information on Durwood Varner, performing additional searches for D. B. Varner and Woody Varner would bring you different results.

The same goes for departments, schools and buildings. For example, searching College of Arts and Sciences will get you different results than searching the abbreviation CAS.

Phrase searching: By grouping multiple words together into phrases and enclosing them in quotation marks, your search results will be more specific. Only items that contain the exact grouping of words will be included in your results. For example if you search "Meadow Brook Hall" your results will only include items with that phrase and exclude any other records that mention only the word Meadow Brook.

Information on Meadow Brook: When searching for information on Meadow Brook, it is advisable to search both as Meadow Brook (2 separate words) as well as Meadowbrook (one word, removing the space). It is commonplace to see both forms, and each will return different results.

Articles can also be browsed by using the buttons above the search bar.

The screenshot shows the 'Student Newspapers' page on the Oakland University Libraries website. The header includes the 'OAKLAND UNIVERSITY Libraries' logo and navigation links for 'OUR@Oakland', 'Oakland University Archives and Historical Collections', and 'Student Newspapers'. A 'Login' link is in the top right. The left sidebar features the 'OUR@Oakland' logo with the tagline 'KNOWLEDGE UNBOUND', a search bar, and radio buttons for 'Search OUR@Oakland' (selected) and 'This Community'. Below this is a 'BROWSE' section with a list of categories: 'All of OUR@Oakland', 'Communities & Collections', 'By Issue Date', 'Authors', 'Titles', 'Subjects', and 'This Community'. The main content area is titled 'Student Newspapers' and contains a 'BROWSE BY' section with four buttons: 'By Issue Date', 'Authors', 'Titles', and 'Subjects'. This 'BROWSE BY' section is highlighted with a red rectangular box. Below the buttons is a search input field with the text 'Search within this community and its collections:' and a 'Go' button. The bottom of the page features a collage of newspaper mastheads, including 'The Oakland Observer', 'FOCUS OAKLAND', 'The Oakland Sail', and 'The Oakland Post'.

After selecting a browsing category, results can be sorted by title or issue date by clicking on the settings button in the right hand corner, just above the first result, and selecting an option from the menu. Again, this menu also allows you to choose the number of results you see per page.
