

Your library book is due tomorrow and you need to renew it. You can do that online by logging into your library account!

To access your library account, go to the the OU library website and click **My Library Account**.

Next, look in the upper right hand corner and click **Guest**.

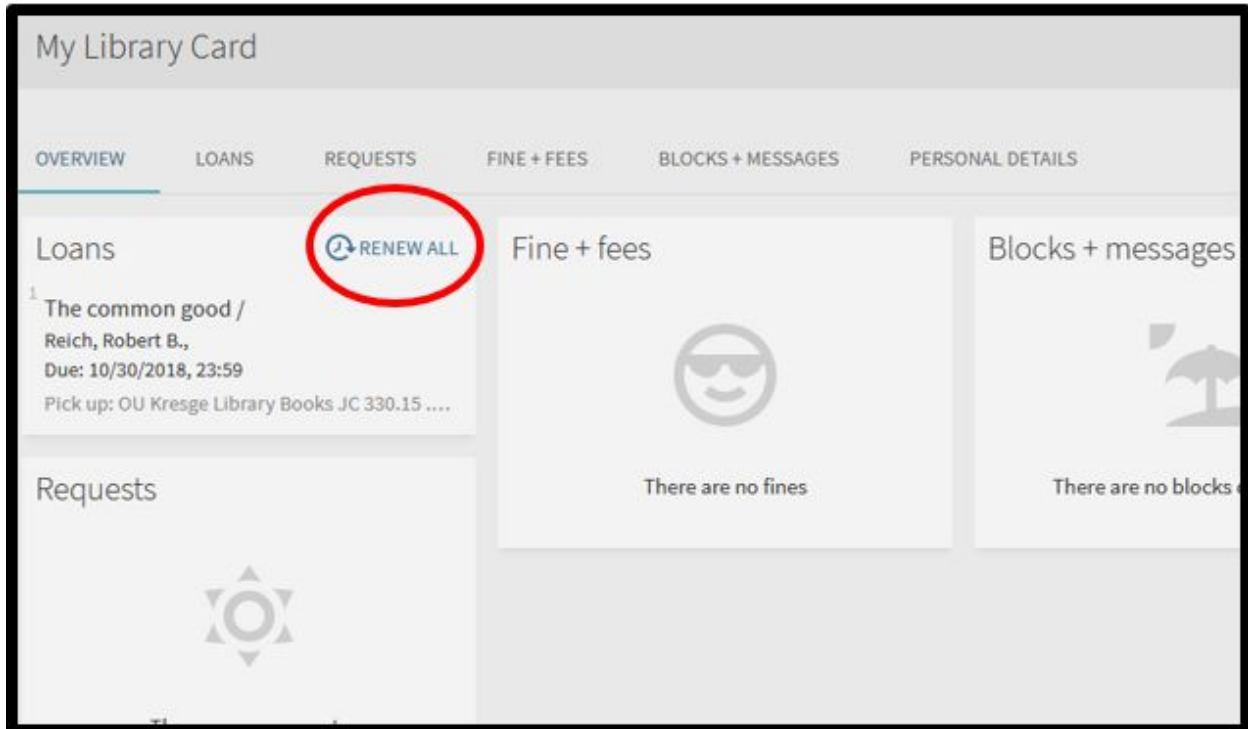

Then click **Library Card**.

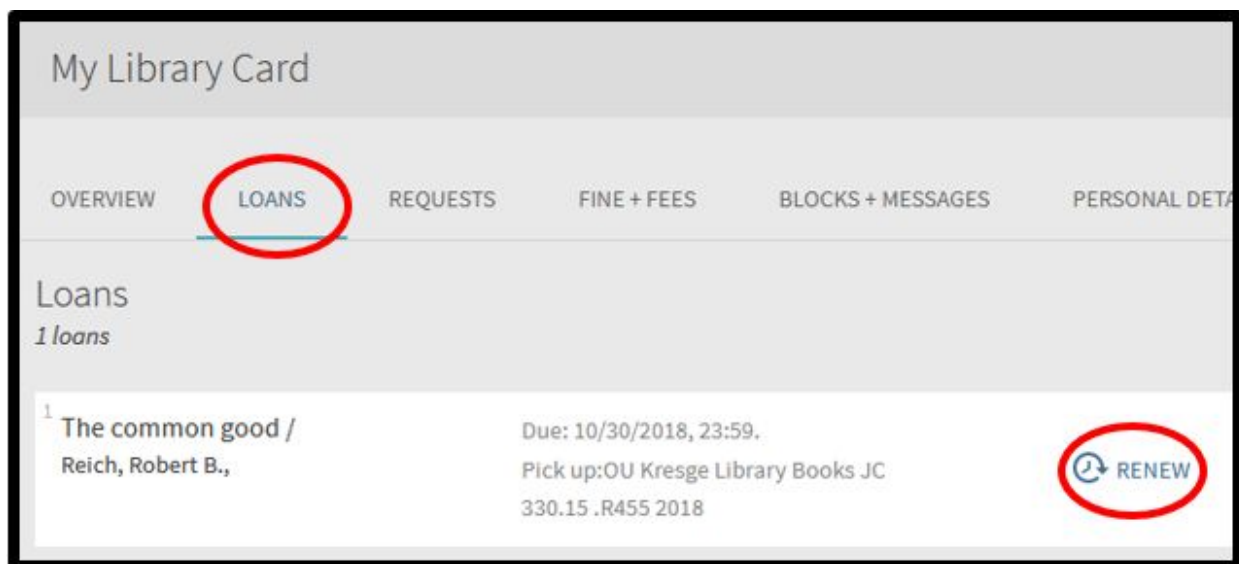

Now log in with your OU NetID and password.

The image shows the login page for Oakland University. At the top, the 'OAKLAND UNIVERSITY' logo is displayed in white on a black background. Below the logo, there is a light brown header with the text 'Enter your NetID and Password'. The main form area is white and contains two input fields. The first field is labeled 'NetID:' and has a dropdown menu with '@oakland.edu' selected. The second field is labeled 'Password:'. At the bottom left of the form, there is a blue button with the text 'SIGN IN' in white.

Look in the box labeled **Loans** and you'll see a list of the books you've checked out. Click **Renew ALL** to renew your books.

Or, if you want to renew only one book, click Loans and your items will be displayed separately. Then you can renew items individually.

When you've finished renewing your items, sign out of your Library Account.
